

Final Keyword List for 2018

Accreditation	Electronic Case Reporting	Infant Mortality	Registry
Advocacy	Electronic Health Records	Infection Control	Reproductive Health
Agricultural Work Safety	Electronic Laboratory Reporting (ELR)	Infectious Diseases	Research
Air Pollutants	Emergency Preparedness & Response	Influenza / Pandemic Influenza	Respiratory Diseases
Air Quality	Emerging Infections	Influenza Surveillance	Risk Assessment
Alcohol	Enteric Infectious Diseases	Informatics	Risk Communication
American Indians / Alaska Natives	Environmental Exposures	Information Databases	Risk Factors
Antimicrobial Resistance	Environmental Health	Information Systems	Rural Health
Arthritis	Environmental Health Hazards	Information Technology	Safety
Asthma	Environmental Justice	Injury	School Health
Barriers to Care	Epi / Lab Capacity (ELC)	Intimate Partner Violence	Screening
Behavioral Health	Epidemiologic Methods	Lead	Sexually Transmitted Diseases
Biomonitoring	Epidemiology	Local Epidemiology	Smoking
Birth Defects	Epidemiology Capacity	Maternal and Child Health	Social Determinants
Border Health	Essential Public Health Services	Meaningful Use	Social Inequalities
International Health	Evaluation	Mental Health	Special/Vulnerable Populations
Breastfeeding	Evidence Based Practice	Minority Health	Standards
Built Environment	Fall-Related Injuries	Motor Vehicles	Stroke
Burns	Firearms	NEDSS / PHIN	Substance Use
Cancer	Food Safety	NNDSS	Substance Abuse
Capacity / Capacity Building	Foodborne Disease	NORS (National Outbreak Reporting System)	Suicide / Self-Inflicted Harm
Cardiovascular Disease	Genomics	Nutrition	Surveillance
Chemical and Biological Exposures	Geocoding	NVDRS	Sustainability
Children and Adolescents	Geographic Information Systems (GIS)	Obesity	Syndromic Surveillance
Chronic Disease	Hazardous Waste	Occupational Exposure	Tobacco
Climate	Health Care	Occupational Health	Traumatic Brain Injury
Climate and Health	Health Disparities	Occupational Injury and Death	Tribal Epidemiology
Coding	Health Information Exchange (HIE)	Occupational Safety	Underserved Populations
Collaboration	Health Insurance	Occupational Surveillance	Unintentional / Intentional Poisoning
Communication	Health Promotion	One Health	Vaccine Safety
Community Health	Health Risks	Oral Health	Vaccine-Preventable Diseases
Community Health Assessment	Health System Integration	Outbreaks	Vectorborne Disease
Co-Morbidity	Healthcare Associated Infections (HAI)	Outcome Measures	Veterinary Public Health
Competency	Healthy Aging	Pesticides	Violence
Cost-Effectiveness	Hepatitis	Physical Activity	Water
Data Collection	HIV/AIDS	Policy / Policy Development	Waterborne Disease
Data Sharing	Hospital Data	Population	Wellness
Depression	ICD	Prevention	Workforce
Diabetes	Immigration & Migrant / Refugee Health	Professional Development	Workplace Safety
Disability	Immunization	Program Evaluation	Work-Related Fatalities
Disasters	Indicators	Public Health Law	Zoonotic Diseases
Disease Prevention	Infant Health	Radiation
