

2018 Epidemiology and Laboratory Capacity for Infectious Diseases (ELC) Healthcare-associated Infections (HAI), Antimicrobial Resistance (AR) Grantees' Meeting

Agenda

MEETING DETAILS

- **Date:** Monday, March 19 – Wednesday, March 21, 2018
- **Time:** 11:30 am – 6:00 pm ET (Monday), 9:00 a.m. – 6:15 p.m. ET (Tuesday), 9:00 a.m. – 12:30 p.m. ET (Wednesday)
- **Location:** Courtyard Marriott Decatur

SCHEDULE

Time	DAY 1 – March 19, 2018	
11:30 am -1:30 pm	New HAI Coordinator Lunch/ Orientation (Ballroom) This optional session will highlight important tips and tools for the new HAI/AR Coordinator (<i>box lunch will be provided</i>). Moderators: Cathy Rebmann and Joe Perz Panel participants: Kelley Garner (AR), Erica Runningdeer (IL), DJ Shannon (IN)	
1:30 –2:10 pm	Opening/ELC Expectations (Ballroom) • Welcome: Rima Khabbaz, NCEZID Director • Opening Remarks: Denise Cardo, DHQP Director • HAI/AR Progress: Arjun Srinivasan, DHQP Associate Director for HAI Prevention Programs	
2:10-2:30 pm	Break/Transition	
2:30 – 3:15 pm	ICAR Closing (Ballroom) • Update on progress made through ICAR: Nicoline Collins, Melissa Schaefer (DHQP) • ICAR Success Stories and Project Highlights: Panel of HD representatives: Maureen Tierney (NE), Jason Mehr (NJ), Nychie Dotson (FL)	State/Regional Lab Coordination Meeting (Auditorium and Henry Oliver Room) • CDC Presentations: Stephanie Gumbis, Sarah Malik (DHQP) ○ Introductions ○ General Antibiotic Resistance Lab Network (ARLN) Overview ○ Update on CRE and CRPA Testing in ARLN • Breakout Discussion by Region (ARLN and CDC Lab Team) • Report Out (ARLN and CDC Lab Team)
3:15 – 4:30pm	Antibiotic Stewardship (Ballroom) • Introduction to AS and ELC: Katherine Fleming-Dutra (DHQP) • Introduction of Panel: Lauri Hicks (DHQP) • Panel of Collaborative Examples: Marisa D’Angeli (WA), Belinda Ostrowsky (NY), Erin Epson (CA), Erica Runningdeer (IL)	
4:30 – 6:00 pm	Open Networking Forum with CDC, Health Department, Laboratory, and Partner personnel (<i>light refreshments will be provided</i>)	

Time	DAY 2 – March 20, 2018
8:00 – 8:45 am	<i>Coffee and Breakfast will be served in the foyer.</i>
9:00 am – 12:30 pm	Antibiotic Resistance Lab Network (ARLN) and Containment (Ballroom) • ARLN Update: Jennifer Huang (DHQP) • Containment Strategy for Unusual Resistance Update: Maroya Walters (DHQP) • <i>C. auris</i> Response: Barriers to Prevention, Regional Approaches, ARLN colonization for detection and prevention: Snigdha Vallabhaneni (DFWED) • Mathematical Modeling to Inform Containment: Rachel Slayton (DHQP) • State Examples and Panel: Control of Emerging Resistance: Stephanie R. Black (CHI), Nychie Dotson (FL), Heather Dubendris (NC)
	<i>Break and Move to simulation room assignments (10 minutes)</i>
	Containment Simulation (Ballroom, Henry Oliver Room, Mary Gay Room) • <i>Pseudomonas</i> IMP Simulation: ARLN and Antimicrobial Resistance Teams • Closing/Q&A: ARLN and Antimicrobial Resistance Teams
12:30 – 1:30 pm	Working Lunch: Optional breakout sessions (Lunch will be provided in the foyer.) • NHSN Data Validation: Suparna Bagchi (DHQP) (Mary Gay Room) ○ NHSN staff will share results of estimates of NHSN HAI reporting accuracy found from Health Department validation projects along with commonly reported reasons for errors in reporting • Small HAI/AR Programs: Cathy Rebmann and Joe Perz (DHQP) (Ballroom) ○ Discuss challenges faced by a smaller program and share best practices for using available resources to make prevention impact • Unique Aspects of City/County HAI/AR programs: Debra Taylor (DHQP) (Ballroom) ○ Discuss challenges and share best practices, tools, and resources to advance city, county and state interactions and communications, including the use of data for prevention impact • Understanding the Emerging Infections Program (EIP): Elizabeth Mothershed and Nicola Thompson (DHQP) (Henry Oliver Room) ○ Share how EIP projects, data, or partnerships can contribute to enhancing HAI/AR program (ELC) prevention efforts • Dialysis Interest Group: Nicole Gualandi and Priti Patel (DHQP) (Ballroom) ○ Discuss issues and successes in protecting dialysis patients from infection risks, including opportunities to connect with the Making Dialysis Safer Coalition
1:30 – 1:40 pm	<i>Break/Transition</i>
1:40 – 3:10 pm	Building Laboratory and Epidemiology Relationships (Ballroom) • Panel of Successful Examples: Moderated by ARLN and Antimicrobial Resistance Teams (DHQP) • APHL Electronic Test Order and Results (ETOR) Overview: Kelly Wroblewski, Michelle Meigs (APHL) • ARLN Susceptibility Pilot Overview: Tara Henning (DHQP)
3:10 – 3:30 pm	<i>Break/Transition</i>

3:30 – 4:45 pm	Public Health Overcoming Obstacles to Prevent <i>C. difficile</i> Infections (Ballroom) • CDI Snapshot – Summary of K2 (Coordinated Prevention) CDI Prevention Activities: Shani Doss (DHQP) • TAP Strategy In Action: Katelyn C. White (DHQP), Pat Kopp (SC) • CDI Prevention Strategies: Preeta Kutty (DHQP) • CDI Collaborative: ○ Utah's <i>C. difficile</i> Prevention Collaborative Experience: Karen Singson (UT) ○ South Dakota DOH & Great Plains QIN/QIO CDI Collaborative: Kipp Stahl (SD) • Panel Discussion: Moderator: Preeta Kutty; In addition to the representatives above), Erika Baldry (MT), Bola Ogundimu (DHQP), and Cliff McDonald (DHQP)	Lab Q&A: Follow-up to technical questions raised during the containment simulation (Henry Oliver Room)
4:45 – 5:15 pm	<i>Break - Networking</i>	
5:15 – 6:15 pm	Meet the Partners Forum (Ballroom) <i>(Light refreshments will be provided)</i> ELC grantees can meet and network with some of key partner organizations whose mission and work intersects with HAI/AR Program activities	

Time	DAY 3 – March 21, 2018	
8:00 – 8:45 am	<i>Coffee and Breakfast will be served in the foyer.</i>	
9:00 – 10:15 am	ELC & Closeout Guidance (Ballroom) • Presentation/Panel with Q&A on ELC Applications: Joe Perz (DHQP), Michael Ashley (DHQP), Anita McLees (DHQP), DPEI Representative • Year 4 Metrics and Progress Reporting • Year 5 Application Tips, Metrics and Progress Reporting, Highlighting Changes (ICAR, etc.), Application Portal and Budget Application Questions • Preview of New Cycle	
10:15 – 10:30 am	Closing Remarks (Ballroom): DHQP Leadership	
10:30 am – 12:30 pm	Meet the Experts Forum (Ballroom): ELC grantees and DHQP partners can meet with subject matter experts and DHQP personnel from across the division to ask questions, gather additional information, and network. <i>(Boxed lunches will be provided at 12)</i>	Regional Lab Meeting (Henry Oliver Room): <i>Regional lab representatives are requested to attend.</i> • Logistics of Screening, Lessons Learned • Address Questions and Feedback Received • Roundtable Discussion
