

ELC HAI/AR Resources & Submission Portal

What is the ELC HAI/AR Resources & Submission Portal?

The ELC HAI/AR SharePoint site contains pages for the following ELC projects and activities:

- K1A through K1D
- Project K2
- Project K3
- ICAR

SharePoint Features

- Project and activity-specific announcements
- Frequently asked questions
- Submission tools and archived presentations/webinars
- Calendar announcements for upcoming events and submission deadlines
- Portal for ELC projects and activities data submissions

How do new users register for SharePoint access?

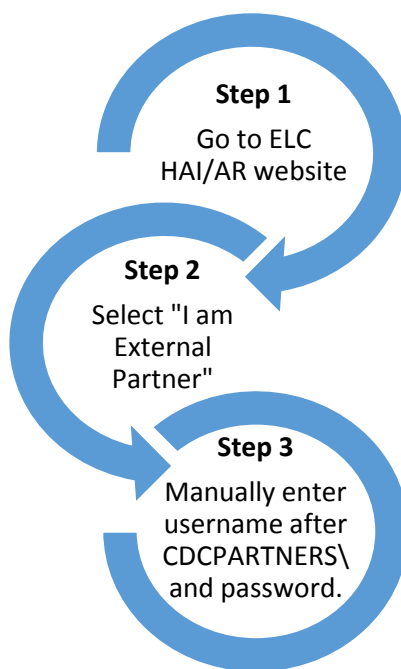

ELC HAI/AR Website: <https://partner.cdc.gov/Sites/NCEZID/DHQP/ELC/ProjectELCHOME/>

Contact: HAIAR@cdc.gov

U.S. Department of Health and Human Services
Centers for Disease Control and Prevention

STEPS TO LOGIN

NEW FEATURES

- **ELC HAI/AR SharePoint User Request Form** will allow grantees to submit new user requests. Effective **January 12, 2018** all new user request must be submitted through the ELC HAI/AR SharePoint site. We are no longer accepting user request by e-mail or by submitting the Microsoft Excel New User request form.
- **Archived Submission Request Form** will allow grantees to request previous data submission files that have been archived. Requested submissions will be uploaded to the Awardee Submission Portal for 5 business days. After 5 business days access to the archived submission will be removed.
- **HAI Program Contact** will allow HAI Coordinators to update program contacts.
