Payment Terms

All invoices are net payable upon receipt of invoice. Invoices 30 days past due are subject to a late fee of 1.5% monthly. Customer reserves the right to withhold 10% of the invoice amount for unresolved punch items. The title of sold goods on this quotation passes to the buyer upon invoicing.

Delivery and Installation

- Hours of Operations: All pricing for delivery whether included in the price of product or separate charge is for work performed during regular working hours unless otherwise noted. Regular working hours are between 7am-3:30pm, Monday-Friday.
- Job Site Condition: The job site should be free and clear of all debris prior to the delivery and installation crews arrival. The buyer is responsible for any charges related to delay in work either by the area not being cleared of debris or other trades working in the spaces. Electrical current, HVAC and elevator services should be made available to delivery and installation crews without a cost to the seller.
- Storage: The buyer is given 30 days free for storage of product in the CWC warehouse. If, after 30 days the buyer's space isn't ready to receive product, storage fees will be applied.
- Shipment Delays: If the buyers space isn't ready to receive direct deliveries from the manufacturer as planned, the buyer is responsible for any costs associated with re-directing the shipment, re-delivery and storage.
- Receiving of Product: The customer shall inspect all product at time of delivery to check for damage. Any damages must be noted on the delivery ticket.
- Stair Carry: If stair carry (more than 3 steps) is required additional fees will be charged.

Additional Handling: The buyer will be responsible for any additional charges due to double handling, trip charges and late/non cancellation of scheduled installations due to the space/building not being ready. A minimum of **four** man hours will be charged per installer for jobs canceled after a crew has arrived. i.e. If your scheduled installation has a six man crew and upon arrival at the job site they are turned away due to site conditions (broken elevator, construction not finished, closed, etc) the minimum charges will be applied via a Field Change Order. 6/men at \$44/hour = \$1056.00
Please contact your CWC Account Executive or Project Manager to cancel installations.

Changes and Cancellations

Items ordered from manufacturers and not stocked at CWC Showroom(s) can not be canceled returned. Prices are subject to change until the quotation is accepted in writing. Pricing on this proposal includes two design changes (changing the drawings and specifications). If additional changes are requested, design time will be billed to the client at our hourly design rate.

Security Interest

Purchaser hereby grants Carithers-Wallace-Courtenay, LLC (CWC) a security interest for all furniture, equipment and personal property being purchased in the sales contract(s) and invoice(s) made reference to and/or attached hereto and a security interest in all future purchases as long as debt remains due and owing. Purchaser grants Carithers-Wallace-Courtenay, LLC (CWC), the right to retake possession of all its security in case of default without notice or demand. Purchaser will agree to pay all cost of collections including attorney fees in case of default. Interest shall accrue at 18% on the unpaid balance until paid. Purchaser agrees not to borrow any money on the secured property or cause a lien on secured property until such time as the unpaid balance is paid in full.

Credit Card Payments

Credit card purchases are subject to 2.5% processing fee.

Taxes

Buyer shall pay all taxes on applicable items (furniture, materials, freight) based upon the installation address of said product. If the buyer is exempt from taxes a tax exempt form must be supplied to the Carithers-Wallace-Courtenay, LLC Accounting department prior to order placement.

Shipping and Handling

Buyer is responsible for all shipping and handling charges including but not limited to freight, special handling and customs/importing/exporting charges. The buyer is also responsible for any freight storage fees or re-routing fees should these be required due to a delay on the buyer or buyer representative's parts.

Warranty

CWC will honor all manufacturer warranties of products sold and will repair, replace said items at the discretion of the manufacturer. A copy of manufacturer warranties are available upon request.
