The screenshot shows the Basecamp interface for the 2020 Syndromic Surveillance Symposium. At the top, navigation links include Home, Pings, Hey!, Activity, My Stuff, and Find. The main heading is "2020 Syndromic Surveillance Symposium". Below it, a paragraph states: "This Basecamp is the event space for the 2020 Syndromic Surveillance Symposium, November 17-19 from 1PM EST to 5PM EST. Learn more about upcoming sessions, how to join different rooms, and view presentations. Email Hayleigh McCall (hmcalls@cste.org) if you have any issues with the site." A row of 15 circular profile icons is displayed, followed by an "Add/remove people" button. The main content area is divided into four panels: "Schedule" (listing sessions for Mon, Nov 16 and Tue, Nov 17), "Message Board" (with a blue speech bubble icon and text about posting announcements), "Docs & Files" (showing "Agenda" and "Session Slide Packs" folders), and "Campfire" (with a blue speech bubble icon and text about casual chat). At the bottom, there is a link "Change tools (add To-dos, Automatic Check-ins, etc.)" and a section header "Project Activity".
