# Field Team (Interview) Kit – Option 1

| Item         | Quantity      |    | Approximate cost per item | Estimated Ave. Cost |
|--------------|---------------|----|---------------------------|---------------------|
| File carrier | 1 per cluster | 30 | \$8-15                    | \$330               |
| Clipboard    | 1 per team    | 15 | \$2-\$4                   | \$45                |
| Pens         | 2 per team    | 60 | \$1                       | \$60                |

Approximate total cost: ~\$15/kit or ~\$435

- This kit contains all materials ***per cluster, N=30 kits.***
- Contents: all questionnaires and maps for the cluster and any other printed materials for the cluster. Clipboard and pens are issued separately.
- Each team gets multiple cluster kits, based on their cluster assignment.
- “Art of Interview” and other auxiliary materials are issued for JITT and collected afterwards.

## Field Team (Interview) Kit – Option 2

| Item                              | Quantity         |        | Approximate cost per item | Estimated Ave. Cost |
|-----------------------------------|------------------|--------|---------------------------|---------------------|
| File carrier                      | 1 per team       | 15     | \$10-30                   | \$300               |
| Hanging folders or manila folders | 5-10 per carrier | 75-150 | \$10/25 pack              | \$40                |
| Clipboard                         | 1 per team       | 15     | \$2-\$4                   | \$45                |
| Pens                              | 2 per team       | 60     | \$1                       | \$60                |
| Sheet protectors                  | 3-4 per team     | 45-60  | \$20/100 pack             | \$20                |

Approximate total cost: ~\$31/kit or ~\$465

- This kit contains all materials **per team** in **one container, N=15 kits**.
- Contents: all questionnaires and maps for the team's assigned clusters (1-3 clusters, "Art of Interview", any other printed materials, clipboard, pens).
- Each team gets one file carrier.
- Teams keep all auxiliary materials during fieldwork.

# Field Team Safety Kit

| Item                            | Quantity                       |    | Approximate cost per item | Estimated Ave. Cost |
|---------------------------------|--------------------------------|----|---------------------------|---------------------|
| Backpack or tote                | 1 per team                     | 15 | \$10-\$15                 | \$180               |
| Safety vest                     | 2 per team                     | 30 | \$8-\$12                  | \$300               |
| Rain poncho                     | 2 per team                     | 30 | \$2-\$4                   | \$90                |
| Rescue blanket                  | 2 per team                     | 30 | \$3-\$10                  | \$150               |
