RE: Travel related Legionnaires' disease case

Dear Facility Management:

Your assistance is requested in compliance with Nevada Administration Code (NAC) 441A.280.

NAC 441A.280 Duty of persons to cooperate with health authority during investigations and carrying out of measures for prevention, suppression and control of communicable diseases.

A case, suspected case, carrier, contact or other person shall upon request by a health authority, promptly cooperate during:

1. An investigation of the circumstances or cause of a case, suspected case, outbreak or suspected outbreak.
2. The carrying out of measures for the prevention, suppression and control of a communicable disease, including procedures of exclusion, isolation and quarantine.

The Southern Nevada Health District (SNHD) has been informed by the Centers for Disease Control and Prevention (CDC) of a confirmed case of Legionnaires' disease whose illness may be associated with travel. This person reported staying at the [facility name] during the incubation period prior to the disease onset between [enter date range]. [Add comments of specific exposures, like Mistert, hot tubs, etc.]

SNHD is requesting [facility name] assistance in verifying the client's stay and the room number at the facility. Thank you for your anticipated assistance in this matter. Should you have any questions, please feel free to contact Kimberly Hertin, Disease Surveillance Supervisor, at 702-759-0721.

Sincerely,

SOUTHERN NEVADA HEALTH DISTRICT
