Purpose

Finalize the data sharing activity and preparation tasks for the South and East Regional Data Sharing Workshop

Objectives

By the end of this meeting, participants will be able to...

1. Describe the proposed data sharing activity in three parts
2. Discuss options to make the activity more useful
3. Identify when during the workshop their interests and goals may be addressed
4. Describe how to share data using the BioSense Platform's AMC for the workshop
5. Identify what they can do before the workshop to make the most of the in-person opportunity
