|--------------------------------------------------------------------------------|-------------|
| The camel... ..does not see his own hump.                                      | Armenia     |
| A bad worker... ..blames his tools.                                            | Australia   |
| It's not shameful not to know... ..but it's shameful not to ask                | Azerbaijan  |
| Tell me who your friends are... ..so I can tell you who you are                | Bulgaria    |
| A chattering bird... ..builds no nest.                                         | Cameroon    |
| Talk... ..does not cook rice                                                   | China       |
| Wheresoever you go... ..go with all your heart.                                | China       |
| A bad word worshipped... .. will echo a hundred miles.                         | China       |
| All things are difficult... ..before they are easy.                            | China       |
| She who returns from a journey... ..is not the same as she who left.           | China       |
| An invisible thread... ..connects those who are destined to meet.              | China       |
| Those who are absent... ..are always wrong.                                    | Congo       |
| Some men go through a forest... ..and see no firewood.                         | English     |
| When spiders unite... ..they can tie up a lion                                 | Ethiopia    |
| Starting is easy... ..persistence is an art.                                   | Germany     |
| If things are getting easier... ..maybe you're headed downhill                 | Ghana       |
| You can't have the sunrise... ..before the day time.                           | Hati        |
| The day of the storm is not... ..the time for thatching                        | Ireland     |
| Nothing is so difficult... ..that diligence cannot master it.                  | Madagascar  |
| Turn your face toward the sun and... ..the shadows fall behind you.            | Maori       |
| It's not enough to learn how to ride... ..you must also learn how to fall.     | Mexico      |
| Plant only one seed of virtue... ..much fruit will be harvested                | Mongolia    |
| People who do not break things first... ..will never learn to create anything. | Philippines |
| When you drink the water... ..think of the well-digger.                        | Russia      |
| We start as fools... ..and become wise through experience                      | Tanzania    |
