

Sunday, June 4	Section	Title	Presenter(s)	Location
9:00AM-5:00PM	ID	Healthcare-Associated Infections and Antimicrobial Resistance: Contain, Control, and Prevent	Please See Workshop Agenda	400C (Boise Centre)
3:00PM-3:30PM Posters	ID	Posters/PM Break Distribution and Trends of Carbapenem-Resistant Enterobacteriaceae (CRE) in Tennessee* Validation of National Healthcare Safety Network Dialysis Event Data — Georgia 2015 Assessing the Use of Potentially Contaminated Heater-Cooler Devices in Tennessee Healthcare Facilities Identifying Gaps in Infection Control through a Clostridium Difficile Prevention Collaborative in Acute Care Hospitals Long-Term Care Facility NHSN Enrollment Challenges, 2016 Epidemiology of Carbapenem-Resistant Enterobacteriaceae—Connecticut, January 2014–December 2015 Infection Control and Antibiotic Stewardship in South Carolina Nursing Homes	-- Allison Chan, Tennessee Department of Health Gianna Sofia Peralta, Georgia Department of Public Health Katie A. Thure, Tennessee Department of Health Rebecca Meyer, Tennessee Department of Health Rebecca Meyer, Tennessee Department of Health Noelisa Montero, CDC/CSTE Applied Epidemiology Fellowship Program Colleen C Roberts, CDC/CSTE Applied Epidemiology Fellowship	Eagle (Boise Centre) Board #105 Board #113 Board #114 Board #115 Board #116 Board #117 Board #118
6:00PM-7:00PM	All	Fellowship Graduation Ceremony	--	Grand Ballroom (The Grove Hotel)
Monday, June 5	Section	Title	Presenter(s)	Location
7:30AM-8:15AM Roundtables	ID	Infectious Disease Position Statements Roundtable I Please see full list of scheduled position statement discussions	Moderator: Kristy Bradley, Oklahoma State Department of Health Presenters: Position Statement Authors	Snake (Boise Centre)
	SI	Submission into the NHSN Antimicrobial Use and Resistance Module – Obstacles, Solutions and Lessons Learned from State and National Perspectives	Amy K Webb, Centers for Disease Control and Prevention Kathleen Henschel, Missouri Department of Health and Senior Services	Firs, Boise Centre
8:15AM-8:30AM Welcome Plenary	All	Welcome Plenary	Janet Hamilton, Florida Department of Health Joseph B McLaughlin, Alaska Department of Health and Social Services Elke Shaw-Tulloch, Idaho Department of Health and Welfare Moderators: Janet Hamilton and Joseph B McLaughlin Speakers: Caleb Banta-Green, Alcohol and Drug Abuse Institute Deb Houry, Centers for Disease Control and Prevention	Falcon/Hawk (Boise Centre)
8:30AM-10:00AM Opening Plenary		Tackling the Overdose and Opioid Epidemic from Multiple Angles		
10:00AM-10:30AM Posters	ID	Posters/AM Break Investigation of Acute Hepatitis B Transmission in a Group Home—Pennsylvania, 2016	-- Judi A Sedivy, Pennsylvania Department of Health	Eagle (Boise Centre) Board #125
10:30AM-12:00PM Breakouts	ID	#RESISTance Enhancing Illinois' Extensively Drug-Resistant Organism (XDRO) Registry to Meet Emerging Public Health Needs Of Carbapenemases and Case Definitions: Impact of the 2016 CSTE Carbapenem-Resistant Enterobacteriaceae Definition Change in Two Minnesota Counties Investigation of First Identified Mcr-1 Gene in an Isolate from a Patient in the United States—Pennsylvania, 2016 Precious Drugs & Scary Bugs Campaign: A Commitment Poster's Impact on Provider-Patient Interactions and Antibiotic Prescribing Evaluating the State of Antimicrobial Stewardship Programs in Long-Term Care Facilities in Hawaii Sharing Is Caring: Hospital Readiness in Coordinating an Approach to Implement Antimicrobial Stewardship Activities	Moderator: Erica Runningdeer, Illinois Department of Public Health Angela S. Tang, Illinois Department of Public Health Medora Witwer, Minnesota Department of Health Kelly E Kline, Pennsylvania Department of Health Suzanne Williams, Illinois Department of Public Health Alexandra P Ibrahim, CDC/CSTE Applied Epidemiology Fellowship Program Sandeep K Bhauria, Los Angeles County Department of Public Health	400A (Boise Centre)
	SI	Breakout - Surveillance / Informatics Session: Laboratory Reporting Gems (please see full agenda for complete list of presentations in this session) HAI/AR-related presentations include: Antibiotic Resistance Surveillance Via Automated Electronic Laboratory Reporting: The Nebraska Experience	Moderator: Erin Holt, Tennessee Department of Health Thomas Safranek, Nebraska Department of Health and Human Services	410B (Boise Centre)
2:00PM-3:30PM Breakouts	ID	Lightning Session: Healthcare-Associated Infections Costs Associated with a Public Health Response to Drug Diversion-Colorado, 2016 Mortality Rates and Cause of Death Among Clostridium Difficile Cases in a Metropolitan Area, Denver, Colorado 2011-2015 Healthcare-Associated Legionnaires' Disease — United States, 2014 Surveillance for Transfusion-Transmitted Infections Among Pathogen Reduction Technology-Treated Platelets Using the National Healthcare Safety Network Hemovigilance Module Evaluation of a CRE Sentinel Surveillance System in North Carolina Impact of 2015 CAUTI Definition Change on CLABSI Rates Assessment of Perception and Use of First Hospital-Specific Healthcare-Associated Infection Feedback Reports, Georgia Outbreak Detection and Response within Acute Care and Critical Access Hospitals in Hawaii Comparing Healthcare-Associated Group A Streptococcus Infections to Community-Associated Group A Streptococcus Infections in Minnesota, 2000-2013 Prolonged Outbreak of Invasive Group A Streptococcal Infections Among Residents at a Skilled Nursing Facility — Pennsylvania, 2016 Outbreak of Group A Streptococcus in a Long-Term Care Facility — Illinois, 2016 When Communication Breaks Down: Transmission of Carbapenem-Resistant Enterobacteriaceae Investigation of Klebsiella Pneumoniae Carbapenemase (KPC)-Producing Carbapenem Resistant Enterobacteriaceae (CRE) in a Skilled Nursing Facility—Pennsylvania, 2016 Epidemic Keratoconjunctivitis Outbreak Due to Human Adenovirus Type 8 — US Virgin Islands, 2016 When Ignorance Is Not Bliss: Complications Associated with Homeopathic Injections from a Chiropractor	Moderators: Kelley Garner, Arkansas Department of Health Zeshan Chisty, Hawaii State Department of Health Alana Cilwick, Colorado Department of Public Health and Environment Geoffrey Brousseau, Colorado Department of Public Health and Environment Albert E. Barskey, Centers for Disease Control and Prevention Kathryn A. Haass, Centers for Disease Control and Prevention Katie J Steider, CDC/CSTE Applied Epidemiology Fellowship Program Erica Washington, Louisiana Department of Health and Hospitals Elizabeth Nicole Smith, Georgia Department of Public Health Alexandra P Ibrahim, CDC/CSTE Applied Epidemiology Fellowship Program Carmen Bernu, Minnesota Department of Health Allison Longenberger, Pennsylvania Department of Health Mabel Frias, Cook County Department of Public Health Holly R. Simpson, New Mexico Department of Health Cara Bicking Kinsey, Pennsylvania Department of Health Irene Guendel, U.S. Virgin Islands Department of Health Holly R. Simpson, New Mexico Department of Health	400C (Boise Centre)
	CC	Cross Cutting - Lightning Session (please see full agenda for complete list of presentations in this session) HAI/AR-related presentations include: Infection Control Training and Certification: Lessons Learned from Public Health Epidemiologists and Infection Preventionists	Moderator: Talia Brown, Boulder County Public Health Diana Cervantes, Texas Department of State Health Services	430B (Boise Centre)
3:30PM-4:00PM Posters	ID	Posters/PM Break Antibiotic Stewardship Programs in Arizona Long-Term Care Facilities Virginia Hospitals Show Improvement Meeting Seven Core Elements of Antibiotic Stewardship Programs, 2014-2015 Alaska State and Regional Antibiotics- 2016 Hospital Prevalence of Carbapenem-Resistant Enterobacteriaceae in Arkansas Deciphering the Details of Inter-Facility Patient Transfers in Washington, District of Columbia Equipping Skilled Nursing Facility Staff to Achieve New CMS Requirements for Antimicrobial Stewardship Validation of National Healthcare Safety Network (NHSN) Laboratory-Identified Event Data in Tennessee Preparing Non-Acute Long Term Care Facilities for Newly Mandated Clostridium Difficile Surveillance Identifying Transmission of Multidrug-Resistant Organisms in an Indiana Long Term Care Facility and Recommendations to Control Transmission An External Statewide Validation of Michigan National Healthcare Safety Network Data	-- Geoffrey Granseth, Arizona Department of Health Services Mefruz Haque, Virginia Department of Health Anna Rose Frick, Alaska Department of Health and Social Services Virgie S. Fields, Arkansas Department of Health Jacqueline R. Reuben, District of Columbia Department of Health Marisa A D'Angeli, Washington State Department of Health Jarred B. Gray, Tennessee Department of Health Emily J. Blake, District of Columbia Department of Health Dawn McDevitt, Indiana State Department of Health Michael W. Balke, Michigan Department of Health and Human Services	Eagle (Boise Centre) Board #138 Board #139 Board #140 Board #141 Board #142 Board #143 Board #144 Board #145 Board #146 Board #147
	SI	Use of a Surveillance Evaluation of Acute Gastroenteritis Outbreak Reporting in Long-Term Care Facilities to Develop a Quality Improvement Plan, Wisconsin, 2006—2015 Surveillance of Invasive Methicillin-Resistant Staphylococcus aureus in Allegheny County, PA	Jordan L Dieckman, Wisconsin Department of Health Services Kristen Mertz, Allegheny County Health Department	Board #168 Board #169
4:00PM-5:30PM Breakouts	SI	Esto Perpetua: Electronic Lab Reporting Successes (please see full agenda for complete list of presentations in this session) HAI/AR-related presentations include: A Facility Survey to Determine Practice and Capacity for CRE Testing and ELR Reporting	Moderator: Nancy L Barrett, Connecticut Department of Public Health Amy Drake, New Mexico Department of Health	410B (Boise Centre)
5:45PM-6:30PM Roundtables	ID	Growing the Garden: Expansion of Healthcare-Associated and Antibiotic Resistant Infections Programs	Kelley Garner, Arkansas Department of Health	Snake (Boise Centre)
6:30PM-8:30PM	ALL	Opening Reception	--	The Basque Block

Tuesday, June 6	Section	Title	Presenter(s)	Location
6:30-7:30 AM	ALL	CSTE Run/Walk Event	--	Boise Centre
7:30AM-8:15AM Roundtables	CC	A Public Health Toolkit: Drug Diversion in Healthcare Settings	Katrina E. Hansen, New Hampshire Department of Health and Human Services	Whitewater (The Grove Hotel)
	ID	Infectious Disease Position Statements Roundtable II Please see full list of scheduled position statement discussions	Moderator: Kristy Bradley, Oklahoma State Department of Health Presenters: Position Statement Authors	Snake (Boise Centre)
8:30AM-10:00AM Plenary	All	Plenary: The Evolving Relationship between the Environment and Health	Moderator: Robert Graff, Idaho Department of Health and Welfare Speakers: Jacqueline MacDonald Gibson, University of North Carolina, Chapel Hill Lyle Petersen, Centers for Disease Control and Prevention	Falcon/Hawk (Boise Centre)
10:00AM-10:30AM Posters	ID	Posters/AM Break Extent of Training of the Infection Prevention Contact in Acute Care Facilities, Nursing Homes and Ambulatory Surgery Centers in Nebraska Infection Control Educational Content in Nursing and Allied Health Schools in Nebraska Targeted Assessment for Prevention Strategy in Outpatient Hemodialysis Facilities Infection Control Assessment and Response Program: Long-Term Care Facilities in Houston, Texas, 2016	-- Maureen R Tierney, Nebraska Department of Health and Human Services Maureen Tierney, Nebraska Department of Health and Human Services Jana Lohrova, Connecticut Department of Public Health Imran Shaikh, Houston Health Department	Eagle (Boise Centre) Board #116 Board #117 Board #118 Board #119
		Data Digging to Uncover Spudtacular Outbreaks Carbapenem-Resistant Enterobacteriaceae (CRE) Infection Clusters in New York State Hospitals, 2015 Identifying Possible Hospital Outbreaks of Clostridium Difficile with Satscan and the National Healthcare Safety Network (NHSN) Using National Healthcare Safety Network Central Line-Associated Bloodstream Infection and Catheter-Associated Urinary Tract Infection Data to Identify Potential Clusters Outbreak Reporting By Hospitals and Nursing Homes - New York State, 2010-2015 Multistate Outbreak of Burkholderia Cepacia Complex Infections Among Non-Cystic Fibrosis Patients - United States, 2016	Moderator: Joseph F Perz, Centers for Disease Control and Prevention Emily Lutterloh, New York State Department of Health Chelsea Foo, CDC/CSTE Applied Epidemiology Fellowship Program Ashley G. Fell, Tennessee Department of Health Inderbir Sohi, New York State Department of Health Matthew Crist, Centers for Disease Control and Prevention	410A (Boise Centre)
1:00PM-1:45PM Roundtables	ID	Progress on the Council for Outbreak Response: Healthcare-Associated Infections and Antimicrobial-Resistant Pathogens (CORHA)	Gerd Clabaugh, Iowa Department of Public Health Marion Kainer, Tennessee Department of Health	Snake (Boise Centre)
2:00PM-3:30PM Breakouts	ID	Growing the Garden and Pulling the Weeds: A day in the Life of an HAI Coordinator Exploratory Analysis of Surveillance Data Reported to NHSN's Multidrug-Resistant Organism/C.Difficile (MDRO/CDI) Module Do C. Difficile Standardized Infection Ratios Predict Antibiotic Use in Acute Care Hospitals Reporting to the National Healthcare Safety Network? To Boldly Go Where Few Have Been Before: Infection Control Assessment and Response in the Outpatient Dialysis Setting Implementation of Competency-Based Training Programs for Infection Control in Tennessee Acute Care Hospitals Burkholderia Cepacia Bloodstream Infections Among Skilled Nursing Facility Residents — United States, 2016 Evidence of Health Care Transmission of Candida Auris: an Investigation of 2 Cases — Chicago, Illinois, 2016 It Takes a Village: Controlling a Methicillin-Resistant Staphylococcus Aureus (MRSA) Outbreak in the Neonatal Intensive Care Unit (NICU)-2016	Moderator: Jeanne Negley, Georgia Department of Public Health Lindsey Weiner, Centers for Disease Control and Prevention Katharina van Santen, Centers for Disease Control and Prevention Nicole R Gualandi, Centers for Disease Control and Prevention Colleen C Roberts, Tennessee Department of Health Patrick K. Mitchell, Pennsylvania Department of Health Janna L. Kerins, Centers for Disease Control and Prevention Jason Mehr, New Jersey Department of Health	420A (Boise Centre)
		Posters/PM Break Lessons Learned: Use of the Healthcare-Associated Infections Data Analysis and Presentation Standardization Toolkit to Publish the First Annual Statewide and Hospital-Specific National Healthcare Safety Network Report, Virginia, 2016 Comparison of Matching Strategies Used for Tennessee Hospital Network Analyses	-- Mefruz Haque, Virginia Department of Health Rany Octaria, Tennessee Department of Health	Eagle (Boise Centre) Board #200 Board #162
4:00PM-5:30PM Breakouts	ID	Position Statements Voting Session (Members Only)	Moderator: Kristy Bradley, Oklahoma State Department of Health Presenters: Position Statement Authors	400C (Boise Centre)
	CC	It's Huge: Epidemiology in Preparedness and Emergency Response (please see full agenda for complete list of presentations in this session) HAI/AR-related presentations include: Emergency Preparedness and Infection Control and Prevention Practices Among Urgent Care Centers, New York City, 2016–2017	Moderator: Richard N Danila, Minnesota Department of Health Jasmine Jacobs-Wingo, New York City Department of Health and Mental Hygiene	420A (Boise Centre)
	SI	A Mash-up of Disease Surveillance Efforts: C. diff, Mold, Foodborne Illness, and STDs (please see full agenda for complete list of presentations in this session) HAI/AR-related presentations include: A Web-Based Framework for Tracking Calling Effort for a Case-Control Study of Clostridium Difficile Infection in Adults Validating Clostridium Difficile Data Using Population-Based Surveillance from the Emerging Infections Program and the National Healthcare Safety Network Validation Toolkit - Denver, Colorado, 2015	Moderator: Jim Collins, Michigan Department of Health and Human Services Corinne M. Davis, Tennessee Department of Health Rosine Angbanzan, Colorado Department of Public Health and Environment	410B (Boise Centre)
5:45PM-6:30PM Roundtables	ID	Public Disclosure of Healthcare Facility Outbreaks	Dawn Terashita, Los Angeles County Department of Public Health	Snake (Boise Centre)
6:30PM-8:30PM	All	President's Banquet	Moderators: Janet Hamilton, Florida Department of Health Joseph B McLaughlin, Alaska Department of Health and Social Services	Grand Ballroom (The Grove Hotel)
Wednesday, June 7	Section	Title	Presenter(s)	Location
7:30AM-8:15PM Roundtables	CC	Collision Course: Exploring the Intersection Between Substance Abuse and Infectious Disease	Brooke Beaulieu, Council of State and Territorial Epidemiologists Nicole Bryan, Council of State and Territorial Epidemiologists	Pines (Boise Centre)
	ID	Infectious Disease Position Statements Roundtable III Please see full list of scheduled position statement discussions	Moderator: Kristy Bradley, Oklahoma State Department of Health Presenters: Position Statement Authors	Snake (Boise Centre)
	SI	Best Practices for Surveillance of Antimicrobial Resistance via Electronic Laboratory Reporting	Scott Troppy, Massachusetts Department of Public Health Amy Drake, New Mexico Department of Health	Cottonwoods (Boise Centre)
8:30AM-10:00AM Plenary	All	Plenary: Facing the Public Health Challenges of the Global Refugee Crisis	Moderators: Marcelle Layton, New York City Department of Health and Mental Hygiene Kathryn Turner, Idaho Division of Public Health Speakers: Marty Cetron, Centers for Disease Control and Prevention Christine Hahn, Idaho Division of Public Health	Falcon/Hawk (Boise Centre)
10:00AM-10:30AM Posters	ID	Posters/AM Break Initiating a Public Health Approach to Antimicrobial Stewardship in Colorado	-- Christopher A Czaja, Colorado Department of Public Health and Environment	Eagle (Boise Centre) Board #141
10:30AM-12:00PM Breakouts	All	Late Breaker - It's Friday at 5:00pm in Epidemiology. What could happen? (please see full agenda for complete list of presentations in this session) HAI/AR-related presentations include: Tuberculosis Transmission in a Hospital Neonatal Intensive Care Unit — North Carolina, 2016 Emergence of Candida auris in New York State	Moderator: David Atrubin, Florida Department of Health Jessica Rinsky, Centers for Disease Control and Prevention Emily Lutterloh, New York State Department of Health	400C (Boise Centre)
1:00PM-1:45PM Roundtables	ID	Sharpening the point of the sword - Antimicrobial Resistance Surveillance, the AR Surveillance Task Force, and the Next Phase of Battle	Richard Melchreit, CSTE consultant	Riverfork (The Grove Hotel)
3:30PM-4:00PM	All	PM Break	--	Lobby (Boise Centre)
4:00PM-5:30PM Breakouts	ID	Position Statements Voting Session (Members Only)	Moderator: Kristy Bradley, Oklahoma State Department of Health Presenters: Position Statement Authors	400C (Boise Centre)
Thursday, June 8	Section	Title	Presenter(s)	Location
8:30AM-12:00PM	All	CSTE Business Meeting	--	Grand Ballroom (The Grove Hotel)
