

2018 EMERGING ISSUES BREAKFAST

Please join the Minnesota Department of Health Zoonotic Diseases Unit for the 3rd annual Emerging Issues Breakfast! This is a gathering for people who work at the intersection of human and animal health in Minnesota.

Date: Friday, Nov. 9, 2018

Time: 7:30 a.m.- 10 a.m.

Place: Freeman Building,
625 North Robert
Street, Saint Paul
MN 55155, Room
B144/145

*Breakfast provided;
parking on your own*

We are asking that each organization chose a spokesperson to speak for 3 minutes about issues, particularly at the human/animal interface, that your organization has dealt with in the past year. In addition to that, please address one of the following topics below:

- What response or outreach effort have you been involved in that others could learn from?
- Which of your future projects might benefit from partnering with a sister agency or entity?
- What legislative effort do you intend to make or what legislation would you like to see pass next session?

*Feel free to
forward this
invitation to
others in your
organization!*

Please RSVP to Zoonotic Diseases Unit student Isabel Ricke at Isabel.Ricke@state.mn.us with the name of the spokesperson for your agency/entity, other attendees, and also regrets.
