

Nebraska One Health Youth in Agriculture Project

Evaluation Questionnaire for Online Training of 4-H Members

We would like to hear from you about your experience with the Nebraska 4-H training.

We prefer that this training be completed on-line rather than on paper. 4-H members who complete the on-line training will be entered into a drawing for a \$25 Amazon Gift Card. We will be giving away a minimum of 20 gift cards to Nebraska 4-H Youth who complete the questionnaires online. You can complete this form online by scanning the following QR Code or by clicking on the following URL (<http://j.mp/2WYxXT0>). If you can't complete the online training,

please answer the following survey questions by selecting the appropriate responses and returning your completed form to your Club Leader or County Extension Office.

Your answers will be kept private. You are free to participate in the survey or not take part. If you agree to complete the survey but there is a question you don't want to answer, you can simply leave it blank. Your answers will be used to improve the course so please answer all questions honestly. Thank you for your help!

4-H Post-Online Training Questionnaire

No.	Question	Responses	Skip
