Subject: Call Recap and Next Steps - Group 1 CSTE Law Project

Greetings all,

Thanks for the Group 1 call on Tuesday. Here are the high points and next steps:

- We had our last discussion about the Emergency Authority & Immunity toolkit. Thank you all very much for your careful review of the documents and offer of additional resources. **If you have any other items you want to identify or materials to forward to me, please do so as soon as possible.**
- We also had a very productive discussion about the public health legal implications of current and recent emergency events. In the near future I will put together a summary of comments from all the groups to share with everyone about the various legal issues encountered with these recent events.
- Our **next call will be Tuesday, June 25th at 1 pm ET**. You should be prepared to discuss the Emergency Volunteers toolkit on that call. **If you want to share any comments with me ahead of the call, please have them to me by Friday, June 21st by COB where you are.**

Thanks everyone and feel free to contact me in the meantime if you need anything.

Best,

Pat
