

Special Emphasis Report:

Traumatic Brain Injury

UNDERSTANDING TBI

Impact and Magnitude of TBI

Causes of TBI

TBI by Age and Sex

Cause	Count	Rate per 100K People

** TBI was reported as a cause of death on the death certificate alone or in combination with other injuries or conditions*

*** TBI alone or in combination with other injuries or conditions*

Special Emphasis Report: Traumatic Brain Injury

To Help Parents and Teen Drivers: *“Parents Are the Key” to Teen Driver Safety.*

Parents Are the Key materials helps parents, pediatricians, and communities keep teen drivers safe on the road. Parents Are the Key includes evidence-based strategies and can be customized with an organization’s logo. Learn more at www.cdc.gov/ParentsAretheKey.

TBI Prevention Strategies

CDC’s National Center for Injury Prevention and Control (Injury Center) is committed to protecting people against preventable TBI by putting science into action.

To Help Older Adults: *Make CDC’s STEADI Part of Every Medical Practice.*

STEADI (Stopping Elderly Accidents, Deaths, and Injuries) is a toolkit to help health care providers incorporate fall risk assessment and individualized fall interventions (e.g., exercise, medication management, and Vitamin D supplementation) into their practice. Learn more at www.cdc.gov/STEADI.

To Help Young Athletes: *Get a HEADS UP on Creating a Culture of Concussion Safety in Sports.*

HEADS UP educational materials are designed to support individuals (such as coaches and health care providers) and organizations (such as schools and sports programs) with their concussion safety efforts. Learn more at www.cdc.gov/HEADSUP.
