

CSTE TRAVEL REIMBURSEMENT POLICY
2016 CSTE Annual Conference – Anchorage, Alaska**Purpose**

CSTE appreciates the efforts of those who travel for the organization. Travelers should be comfortable while traveling, understand all travel related policies, and obtain reimbursement quickly. At the same time, it is necessary to keep costs within reasonable limits and to follow consistent reimbursement procedures. Expenses not specifically addressed in these guidelines must be pre-approved by the CSTE National Office prior to incurring the expense. CSTE reserves the right to deny expenses exceeding reasonable or allowable costs as deemed appropriate by CSTE. Travelers that do not attend workshops or other sessions contingent on funding received will not be reimbursed.

The travel policy meets the IRS definition of an “accountable plan;” therefore, travel reimbursements will not be reported as income. A complete expense reimbursement form accompanied by receipts substantiating the amount, time and business purpose of the expenses is required within 30 days of trip completion.

Registration

Travelers sponsored for conference registration to attend the 2016 CSTE Annual Conference will be notified by the CSTE National Office. All sponsored registrations should be made using the personalized web link created for the sponsored traveler. Registration is not transferrable and should not be shared with others. Sponsored travelers should not purchase conference registration on their own using a personal method of payment. If registration purchased on a personal credit card is canceled, a \$25.00 cancellation fee will be assessed and must be paid by the traveler. This \$25.00 fee is non refundable and cannot be reimbursed by CSTE. Sponsored travelers are encouraged to register early as space for some workshops is limited. If travelers are not able to register for a workshop because space becomes unavailable, and funding is contingent upon attendance at this workshop, the sponsored traveler will not longer receive funding support.

Air Travel

Travelers are expected to book the lowest-priced, coach class airfare available of any airline that is within two hours of (prior to or after) desired flight time; the use of an alternative airport serving the destination city; and/or the use of multiple stop flights that may include layovers. Travelers choosing an airline for its amenities or frequent flyer programs will be responsible for the difference in cost. Although at the present time CSTE awards the benefits of frequent flyer clubs and hotel programs to its travelers, it reserves the right to change this policy. CSTE will not reimburse travelers for tickets purchased with frequent flyer miles.

Costs associated with non coach airfare (including business, economy plus, and first class) will not be reimbursed unless the CSTE Executive Director has a letter explaining the medical reasons or extenuating circumstances that require such service in advance of ticket purchase. Documentation of approval is required with the expense reimbursement form.

Airline Reservations

American Express Travel is the official travel agent for CSTE and airline reservations must be made by American Express Travel by contacting 800-872-9954. In order to reserve the lowest ticketed price, reservations must be made no later than **May 27, 2016**. Reservations not made by this date are subject to a fare differential that may be the responsibility of the traveler. Reservations made via American Express Travel will be charged directly to CSTE. When contacted by CSTE or American Express Travel to confirm ticket requests, sponsored travelers are required to respond within 24 hours during CSTE operating hours or a change in fare prices could occur at the expense of the traveler.

Travelers who are booking flights to arrive prior to or to depart after the approved travel days must also collect information from American Express Travel on the cost of extending the travel dates. If there is an *additional* cost to extend travel, such as higher airfares, the traveler must send this additional payment to CSTE within 2 weeks of booking the ticket. The traveler must also include documentation on the fare differential. If there is no additional cost to CSTE to extend travel, the traveler is not responsible for any fare differential, but the traveler is required to provide confirmatory documentation with the expense reimbursement. It is the responsibility of the traveler to pay for any costs associated with extended travel and to provide documentation on these costs (if applicable).

Travelers booking flights independent of American Express Travel must be approved by the CSTE National Office before booking by providing a comparative chart of the airfares, such as www.bookingbuddy.com. The traveler is responsible for including documentation of approval and a comparative chart with the expense reimbursement form. Reservations not made by American Express Travel must be paid for by the traveler, and reimbursement will not occur until after the CSTE Annual Conference.

Upgrades for Domestic Air Travel

- An upgrade at the expense of CSTE is not permitted.
- A free upgrade or an upgrade at the expense of the traveler must be noted as such on the expense reimbursement form.

Sponsored Project Domestic Travel

Federally funded trips must be traveled on U.S. carriers at coach rates. Airfare costs in excess of the lowest available commercial discount airfare or customary standard (coach or equivalent) airfare on a U.S. carrier are not allowed except when such accommodations would:

- Require circuitous routing;
- Require travel during unreasonable hours;
- Excessively prolong travel;
- Result in increased costs that would offset transportation savings; and
- Be inadequate for the medical needs of the traveler.

For the complete federal travel regulations please refer to OMB Circular A-21.

Sponsored project travel should adhere to the guidelines set forth by this policy unless the sponsor imposes greater restrictions.

Cancellations/Changes

CSTE will not pay for airline change fees unless the changes are due to an emergency or approved by the CSTE National Office prior to incurring the expense. The traveler is responsible for including documentation of approval with the expense reimbursement form.

- When a trip is cancelled after the ticket has been issued, the travelers should inquire about using the value of the ticket for future CSTE-approved travel.
- Travelers can reuse airline tickets for future CSTE travel if airfare eligibility requirements are met. These requirements should be verified with the issuing ticketing agency.
- Unused airline tickets or flight coupons have a cash value and therefore must not be discarded or destroyed.
- To expedite refunds, unused or partially used airline tickets must be returned immediately to the travel agency that issued the ticket.
- Unused tickets must not be sent to the airline unless they were issued directly from the airline. Contact the airline for their return procedures and requirements.

- Travelers should not include unused tickets with their Expense reports.
- Please note that airline cancellations or changes may be the responsibility of the traveler.

CSTE will not respond to inquiries or changes regarding airline travel after June 15, 2016. In cases that require attention after June 15, 2016, please contact American Express Travel directly during their normal business offices.

Luggage Fees

CSTE will reimburse for one checked bag each way on travel requiring less than a one week stay. No other luggage expenses will be reimbursed to travelers.

Lodging

Hotel Accommodations

Please visit the CSTE website at <http://www.csteconference.org/2016/travel/#Hotel> or click [here](#) for the full list of available conference hotels. **Availability is limited and conference hotels will most likely sell out.** Travelers should check the CSTE website frequently for lodging updates.

Travelers should contact the hotel directly to make your reservation. CSTE will not make your lodging reservation on your behalf. If calling by phone, indicate you are part of the “**CSTE or Council of State and Territorial Epidemiologists**” to receive our group rate at CSTE conference hotels. Hotel rates are for standard single occupancy rooms exclusive of state and local taxes.

Lodging Reimbursement

- Travelers are expected to make their own travel reservations. CSTE will not make reservations on behalf of the traveler.
- Travelers will be reimbursed up to the negotiated group room rate (+tax) for lodging at the CSTE conference hotels. CSTE will not reimburse room rates higher than the conference rate for stays at the CSTE conference hotels.
- If CSTE conference hotels become unavailable, travelers will be reimbursed up to \$339 per night (plus tax) for stays at other nearby hotels (non-CSTE conference hotels). The traveler may be responsible for identifying nearby hotels. CSTE will reimburse for standard single occupancy rooms.
- Please refer to your travel letter for information on the number of nights that CSTE will reimburse.
- The deadline to make a reservation to receive the group rate is May 27, 2016. However, sponsored travelers should make reservations as early as possible, as the group rate is expected to sell out prior to May 27, 2016.
- Many hotels have frequent guest programs that reward travelers with free accommodations in exchange for a specified number of paid room nights at a hotel. CSTE will not reimburse travelers for the value of free accommodations used for business travel.
- If a traveler extends their stay beyond the number of nights approved by CSTE, all costs for the additional nights are the responsibility of the traveler. Please note airline flights may be limited and travelers may be required to stay additional nights and these costs are the responsibility of the traveler.
- Suites and concierge-level rooms are not reimbursed. A free upgrade must be noted on the expense reimbursement form.
- For safety and security, travelers should always investigate security measures of the hotel room (e.g., door locks, fire exits, and alarm systems).

Hotel Upgrades

- An upgrade at the expense of CSTE is not permitted.

Cancellations

- It is the traveler's responsibility to notify either the hotel or the agency with which the reservation was made to cancel room reservations.
- Cancellation deadlines are based on the local time at the destination hotel.
- Travelers should request and record the cancellation number in case of billing disputes.
- Travelers will not be reimbursed for "no show" charges.

Hotel Personal Expenses

- Personal expenses incurred while traveling will not be reimbursed.

Meal Expenses

Travelers are given per diem to cover lodging, meals, and incidental expenses in connection with the performance of service to CSTE. Please refer to www.gsa.gov for a complete, up-to-date listing of per diem rates. Travelers who use per diem allowances do not have to substantiate each meal expense, but they must demonstrate that the trip occurred with a receipt, such as an airline ticket or hotel folio, that indicates the dates of travel. For audit purposes this documentation must be attached to the expense report.

The federal per diem for meals will be awarded for the destination of the trip. The per diem for Anchorage is **\$101.00** per day. Per diem must be accounted for on the travel reimbursement form, less meals provided by the travel destination or host and partial day travel. Meals are not provided during the CSTE Annual Conference. Any other provided meals (if applicable) must be deducted from the traveler's expense reimbursement form, even if the traveler chooses not to eat that meal. Travelers will be reimbursed a fixed rate of 75% of per diem for travel days to and from the conference (less any meals provided, if applicable). Allowances for per diem are as follows:

- Breakfast (25%) = \$25.25
- Lunch (25%) = \$25.25
- Dinner (50%) = \$50.5
- Travel days (75%) = \$75.75

Per diem allowances may not be issued in lieu of service payments such as consulting fees or honoraria.

Prices for shuttle services, public transportation and taxis are subject to change by the operating agency. A correction and/or change to the expense report as a result of an accounting audit of the report will be documented with a correction note. For errors in arithmetic and disallowed items, a correction note denoting the errors will be sent to the traveler and an appropriate adjustment made to the reimbursement.

Reimbursement

Reimbursement will be mailed within 30 working days of receipt of a complete expense report by the CSTE accounting department. Additional time should be allowed for mail delivery. Checks will be sent to the address provided on expense reimbursement form.
