

**MSNJ/ANCC FACULTY AGREEMENT FOR ACTIVITIES
RECEIVING CE REPORT TERMS AND CONDITIONS**

The undersigned speaker/author understands and accepts the following rules as required by the of Medical Society of New Jersey, the Essential Areas and Policies of the ACCME, the rules of the Ethical Opinion of the American Medical Association and the ANCC/NJSNA:

1. **Disclosure-** Speakers/Authors must complete and submit a Disclosure Statement, and that Disclosure Statement shall be complete and truthful to the best of the speaker's knowledge. As faculty, you are required to disclose any financial relationship you may have with any product or class of products you plan to discuss in this educational activity.
2. **Fair Balance** – Speakers/Authors are required to prepare fair and balanced presentations, which are objective and scientifically rigorous.
3. **Unlabeled and Unapproved Uses** - Presentations which provide information in whole or in part related to non-FDA approved uses for drug products and/or devices must clearly acknowledge the unlabeled indications or the investigational nature of their proposed uses to the audience. If you plan to discuss non-FDA approved uses for commercial products and/or devices must advise MSNJ/ANCC of your intent.
4. **Use of Generic versus Trade Names** – Scientific or generic names in referring to products should be used in your presentation, and on slides. Should it be necessary to use a trade name, then the trade names of all similar products or those within a class should be used. All handouts and slides should be free of commercial identification such as company name or logo.
