

CSTE Consultant Report

Date: 02/28/2003

CSTE Committee: Executive (informatics)

Consultant Name: Rita Altamore

Agency: Washington State Department of Health

Title of meeting or call: Workgroup to Help Establish Code Set Maintenance Process

Date of meeting or call: 02/07/2003

Sponsoring agency: CDC/IRMO

Report narrative: Second call, brief. Reviewed minutes. Agreed that CDC would produce a first draft of the process for review by the workgroup at the next call (3/7/03).

Action to be taken: See previous report. Main issue for CSTE at this time is whether the organization wishes to commit to maintaining the superset list of notifiable conditions by state.

Were other CSTE consultants and team members involved collaboratively in crafting the CSTE advice? n/a; no advice given at this joint

Did any CSTE Position Statements provide guidance for the advice? n/a

Are new CSTE Position Statements needed to provide guidance for the advice given by the consultant(s) in this area? See previous report.

If yes, please offer some recommendations:
