EDUCATION:

Ph.D, Medical Sociology, 2003
The University of Alabama at Birmingham, Birmingham, Alabama

M.S.P.H., Epidemiology, 2001
The University of Alabama at Birmingham, Birmingham, Alabama

M.A., Sociology, 1999
The University of Alabama at Birmingham, Birmingham, Alabama

B.S., Psychology / Sociology (Double Major), 1996
The University of Alabama at Birmingham, Birmingham, Alabama

H.S. Diploma, 1992
Huffman Highschool, Birmingham, Alabama

TRAINING:

* Social Network Analysis Training Class (taught by Stanley Wasserman),
Centers for Disease Control and Prevention, Atlanta, Georgia, 2005

* Completion of Diversity Awareness Education Program (Parts I & II), The
University of Alabama at Birmingham Office of Equity and Diversity,
Birmingham, Alabama , 2004

* Trainee-Teaching at the Graduate Level and Beyond, The University of Alabama
at Birmingham, 1998

* The Analysis of Longitudinal Social Network Data (Introduction to Dynamic
Network Analysis, taught by Tom Snijders) , Centers for Disease Control and
Prevention, Atlanta, GA, 2005

SELECTED SKILLS:

* Theory Construction and Application

* Multivariable and multivariate statistical analysis using various
statistical and data management software programs (i.e., Sudaan, Mplus, SAS,
SPSS, EpiInfo, STATA, CALIS, R, S-plus, Pajek, MS Excel, DBMS Copy, D-Base,
and MS Access)

* Survey research methodology development and deployment

* Qualitative analysis using facilitative software packages (i.e., Ethnograph
5.0, Nudist, Atlas)

* Qualitative research methodology development and deployment (i.e., focus
group creation, organization, moderation, data transcription (using Digital
Voice Editor 2.12), and analysis; participant observation; content analysis)

* Telephone interviewing and data management using CATI (Ci3), Win CATI

* Visual and web based presentation development / web publishing.

* Action / Community empowerment research and facilitation.

- * Social Network Analysis.
- * Geo-spatial analysis using Geographic Information Systems software.
- * Concept / proposal writing. Request for Funding Announcement (RFA) development.

WORK EXPERIENCE:

Behavioral Scientist (GS-13, step2), Etiology Team, 2006 to Present
Centers for Disease Control and Prevention, Division of Violence Prevention,
Etiology and Surveillance Branch, Atlanta, GA
