Tuesday June 6, 2006

PLENARY SESSION

8:00 AM – 8:30 AM

PLENARY

Grand Ballroom A-D**State of the CSTE****Session Moderator: C. Mack Sewell, New Mexico Department of Health*****CSTE President's Corner***

C. Mack Sewell, New Mexico Department of Health

Legislative Update - CSTE's Voice

Marcia Mabee, CSTE Washington Liaison

Meet the CSTE Leadership - Executive Committee Introductions

Patrick McConnon, Council of State and Territorial Epidemiologists

PLENARY SESSION

8:30 AM – 10:00 AM

PLENARY

Grand Ballroom A-D**Epidemiology and Surveillance: Lessons from the Hurricanes of 2005****Session Moderator: Melvin Kohn, Oregon Department of Human Services*****Infectious Disease Surveillance and Environmental Concerns After Katrina***

Raoult Ratard, Louisiana Office of Public Health

What Should We Put Under Surveillance After Natural Disasters

Richard Hopkins, Florida Department of Health

Supporting the Local and State Response to Hurricane Katrina in New Orleans

Ali Khan, Centers for Disease Control and Prevention

Developing a Framework for Rebuilding the Health Care and Public Health System of New Orleans

Tom Farley, Tulane University School of Public Health

Tuesday June 6, 2006

BREAK AND POSTER SESSION	10:00 AM – 10:30 AM
AM BREAK	Grand Ballroom E-G
POSTER PRESENTATIONS	Grand Ballroom E-G

An Evaluation of the Louisiana Pregnancy Risk Assessment Monitoring System

Ashley Chin, Louisiana Office of Public Health

Evaluation of Hepatitis A Surveillance in San Diego County (2003 – 2004)

Jeffrey Bethel, San Diego Quarantine Station

Improving Disease Reporting by Clinicians: Evaluation of an Intervention Using Electronic Mail, the Internet, and Handheld Computer Download

Vic Spain, Philadelphia Department of Public Health

Workforce Development: An Assessment of Public Health Epidemiologists in Tennessee, 2005

Ami Buikema Sklar, Jackson-Madison County Regional Health Department

Occupational Injuries and Fatalities in the Services Sectors

David Utterback, Centers for Disease Control and Prevention

John Sestito, Centers for Disease Control and Prevention

Teresa Schnorr, Centers for Disease Control and Prevention

Maryland Harmful Algal Blooms and Marine Toxins Public Health Surveillance

Toryalay Ameree, Maryland Department of Health and Mental Hygiene

Rapid Community Health and Needs Assessments in Florida Post-Hurricane Wilma

Sharlene Emmanuel, Florida Department of Health

In the Name of Beauty: Sporadic Mycobacteria Infections Associated with Nail Salons - California, 2003-2005

Jean Yuan, California Department of Health Services

The Utility of Early Aberration Reporting System (EARS) with Influenza Sentinel Provider Surveillance by Practice Type.

Janet Tang, California Department of Health Services

The Tuberculosis Indicators Project: Using Data to Improve Program Performance

Joan Sprinson, California Department of Health Services

Anne Cass, California Department of Health Services

U.S. Air Force Entomological Support for Hurricane Relief Efforts

Chad McHugh, Air Force Institute for Operational Health

Eastern Equine Encephalitis in New Hampshire, 2005: The Use of Existing Arboviral Surveillance to Predict Human Disease Risk

Jason Stull, New Hampshire Department of Health and Human Services

Lancaster County Neurodegenerative Disease (NDD) Study

Khosrow Heidari, South Carolina Department of Health and Environmental Control

Pandemic Influenza Functional Exercise - New Hampshire, 2005

Jose T. Montero, New Hampshire Department of Health and Human Services

The USAF Institute for Operational Health's Role in the DoD's Electronic Surveillance System for the Early Notification of Community-Based Epidemics

Donald Goodwin, Air Force Research Laboratory

Candace McCall, Air Force Institute for Operational Health

Tuesday June 6, 2006

CONCURRENT BREAKOUT SESSIONS

10:30 AM – 12:00 PM

CHRONIC DISEASE BREAKOUT

Pacific Room

Evaluating State Birth Defects Surveillance

Session Moderator: Hani Atrash, Centers for Disease Control and Prevention

Evaluation of the Michigan Birth Defects Registry

Jeffrey Pollet, Michigan Department of Community Health

An Evaluation of VaCARES: Birth Defects Surveillance in Virginia

Caroline C. Stampfel, Virginia Department of Health

Evaluating Congenital Hearing Loss by Linking Colorado's Universal Newborn Hearing Screening Dataset and Birth Defects Surveillance System

Erica Cofield, Colorado Department of Public Health and Environment

CROSS CUTTING I BREAKOUT

Garden 4

Tribal Epidemiology I

Session Moderator: Michael Landen, New Mexico Department of Health

Navajo Nation Community Health Status Assessment Report

Christine J. Benally, Indian Health Service

An Overview of Tribal Epidemiology Centers

James Cheek, Indian Health Service

Collaborations between Tribal Epidemiology Centers and Health Departments to Improve Data Quality and Address Emerging Issues

Mei Castor, Urban Indian Health Institute

Carol Korenbrot, California Rural Indian Health Board, Inc.

Promoting Accurate and Comprehensive Cancer Estimates in NW American Indians and Alaska Natives (AI/AN) through Collaboration between Urban AI/AN and Tribal Organizations

Joshua Jones, Portland Area Indian Health Service

CROSS CUTTING II BREAKOUT

Garden 1

Responding to an Exposure Detection Signal: What is the Appropriate Response?

Session Moderator: Eddy Bresnitz, New Jersey Department of Health and Senior Services

Biohazard Detection System (BDS)

Eddy Bresnitz, New Jersey Department of Health and Senior Services

BioWatch

Joel Ackelsberg, New York City Department of Health and Mental Hygiene

Assessment of Emergency Preparedness and Potassium Iodide Distribution Among the Public and Emergency Responders in Close Proximity to New Jersey's Nuclear Power Plants

James Blando, New Jersey Department of Health and Senior Services

Tuesday June 6, 2006

CONCURRENT BREAKOUT SESSIONS

10:30 AM – 12:00 PM

ENVIRONMENTAL BREAKOUT

Garden 2

Environmental Health Effects on Older Americans: Water and Air Pollutants

Session Moderator: Kathy Sykes, United States Environmental Protection Agency

The Environmental Health Effects of Drinking Water Pollutants on Older Adults

Rebecca Calderon, United States Environmental Protection Agency

2005 Preliminary Findings from Six States - Air Quality and Older Adults

Lina Balluz, Centers for Disease Control and Prevention

A State Perspective on the Environmental Health Effects on Older Adults

Henry Anderson, Wisconsin Department of Health and Family Services

INFECTIOUS DISEASE BREAKOUT

Grand Ballroom A-D

Mandatory Public Reporting of HAIs: Impact on State Health Departments

Co-Sponsored by Society for Healthcare Epidemiology of America (SHEA)

Session Moderator: Jeffrey Engel, North Carolina Department of Health and Human Services

Co-Moderator: Alfred DeMaria, Massachusetts Department of Public Health

Update on What is Going on with Pending Legislation and Requirements in the States

Daniel Jernigan, Centers for Disease Control and Prevention

The Tennessee Experience

Marion Kainer, Tennessee Department of Health

The Missouri Experience

Eddie Hedrick, Missouri Department of Health and Senior Services

Model Legislation for Public Reporting

Michael Tapper, Lenox Hill Hospital

INJURY BREAKOUT

Salon 1

Injury Surveillance in the US Air Force: Data Sources, Results and Application Research

Session Moderator: Melvin Kohn, Oregon Department of Human Services

Introduction and Overview

Lucinda Frost, Population Health Support Division

Data Systems

James Leonard, Population Health Support Division

Application of Methods to 2003 Medical Encounter Data and to a Sample Research Question

Susan Chao, Population Health Support Division

Linking Medical Encounter Surveillance to Include Mishap Data

Margaret Haynes, HeadQuarter Air Force Safety Center

Tuesday June 6, 2006

CONCURRENT BREAKOUT SESSIONS

10:30 AM – 12:00 PM

OCCUPATIONAL HEALTH I BREAKOUT

Garden 3**Occupational Illness Surveillance II****Session Moderator: Jennifer Flattery, California Department of Health Services*****Workers' Use of Respiratory Protection at the World Trade Center Site and Onset of Newly-Diagnosed Asthma After September 11, 2001***

Katherine Wheeler, New York City Department of Health and Mental Hygiene

Occupational Motor Vehicle Collisions as a Leading Indicator of Worker Safety in Kentucky

Svetla Slavova, Kentucky Injury Prevention and Research Center

Using Indicators to Profile Occupational Injuries and Illnesses in Michigan

Thomas Largo, Michigan Department of Community Health

OCCUPATIONAL HEALTH II BREAKOUT

Harbor Room**Updates on Pesticide Poisoning Surveillance Activities****Session Moderator: Geoffrey Calvert, Centers for Disease Control and Prevention*****A Fatality in Oregon Involving Pyrethroid Exposure: Findings and Recommendations***

Michael Heumann, Oregon Department of Human Services

Update from the SENSOR-Pesticides Coding Committee and the Occupational Pesticide Poisoning Indicator

John Beckman, California Department of Health Services

SPIDER Update

Robert Stone, New York State Health Department

Tuesday June 6, 2006

ROUNDTABLE SESSIONS		12:15 PM – 1:15 PM
ROUNDTABLE I		Valencia
<i>Washington Update</i> Marcia Mabee, CSTE Washington Liaison		
ROUNDTABLE II		Salon III
<i>Infectious Disease Committee Update</i> Ellen Mangione, Colorado Department of Public Health and Environment		
ROUNDTABLE III		Salon IV
<i>Chronic/MCH/Oral Health Committee Update</i> Mark Baptiste, New York State Department of Health		
ROUNDTABLE IV		Salon V
<i>Environmental/Occupational/Injury Committee Update</i> David R. Johnson, Florida Department of Health		
ROUNDTABLE V		Terrace Room A
<i>Using Behavior Risk Factor Surveillance System Data with Environmental Data Base</i> Lina Balluz, Centers for Disease Control and Prevention		
ROUNDTABLE VI		Terrace Room B
<i>The Role for Infection Control Programs in Public Health Departments</i> Jon Rosenberg, California Department of Health Services		
ROUNDTABLE VII		Terrace Room C
<i>Clostridium difficile</i> Forrest W. Smith, Ohio Department of Health Jeffrey Davis, Wisconsin Department of Health and Family Services		
ROUNDTABLE VIII		Terrace Room D
<i>COSS Roundtable - Web Publishing as a Tool for Occupational Health Data Dissemination</i> John Sestito, Centers for Disease Control and Prevention Angela Laramie, Massachusetts Department of Public Health		
ROUNDTABLE IX		Terrace Room E
<i>Results of the CSTE/CDC Workshop on Intelligence about Multijurisdictional Terrorist Events and Disasters</i> Raymond Neutra, California Department of Health Services		
ROUNDTABLE X		Terrace Room F
<i>Tribal Epidemiology</i> Michael Landen, New Mexico Department of Health		

Tuesday June 6, 2006

CONCURRENT BREAKOUT SESSIONS

1:30 PM – 3:00 PM

CHRONIC DISEASE BREAKOUT

Pacific Room

Surveillance of Overweight Children: New State Approaches

Session Moderator: Bettylou Sherry, Centers for Disease Control and Prevention

Childhood Overweight in Puerto Rico Second Grade Students

Aurea Rodriguez-Lopez, Puerto Rico Department of Health

Childhood Obesity in Georgia: An Innovative Approach to Surveillance

Matt Falb, Georgia Department of Human Resources

Potential Opportunities to Intervene: Overweight among Florida's School-Aged Children

Dave Goodman, Florida Department of Health

CROSS CUTTING I BREAKOUT

Garden 4

Public Health Impacts of a Lack of Health Insurance

Session Moderator: Jan King, Los Angeles Department of Health Services

The Impact of Uninsurance on Public Health Preparedness

Paul Effler, State of Hawaii Department of Health

Uninsurance and It's Impact on Community Health

Jack Needleman, University of California Los Angeles

CROSS CUTTING II BREAKOUT

Garden 1

Fixing the Everyday World: Environmental Approaches to Preventing the Leading Causes of Death

Session Moderator: Melvin Kohn, Oregon Department of Human Services

Improving our Lives by Fixing our Everyday World

Tom Farley, Tulane University School of Public Health

Alcohol Availability, Placement, Zoning and Density: How Alcohol Outlets Influence Health

Richard Scribner, Louisiana State University

Availability, Placement and Promotion of its Effect on Diet

Donald Diego Rose, Tulane University

Broken Windows and Health: Parks, Housing, Collective Efficacy and Health Outcomes

Deborah Cohen, RAND Corporation

The Environment Can Be Changed: Practical Approaches in a Political World

Deborah Cohen, RAND Corporation

ENVIRONMENTAL BREAKOUT

Garden 2

Kids Matter: Environmental Epidemiology of Adolescents, Children, and Birth Outcomes

Session Moderator: Jackie McClain, Council of State and Territorial Epidemiologists

Adolescent Respiratory Health at the California-Mexico Border: The Border Asthma and Allergies (BASTA) Study

Michael Lipsett, California Department of Health Services

Linking Childhood Cancer Cases and Environmental Determinants in Wisconsin

Kristen Malecki, Wisconsin Department of Health and Family Services

Linking Adverse Birth Outcomes and Exposure to VOCs in Drinking Water and PM2.5 in Ambient Air

Barbara Malczewska-Toth, New Mexico Department of Health

Tuesday June 6, 2006

CONCURRENT BREAKOUT SESSIONS

1:30 PM – 3:00 PM

INFECTIOUS DISEASE BREAKOUT

Grand Ballroom A-D

Seasonal Influenza: Continuing Challenges in Pandemic Influenza Preparedness

Session Moderator: Kathleen Gensheimer, Maine Department of Human Services

Surveillance for Influenza Hospitalizations in Colorado - Seasonally and During a Pandemic

Ken Gershman, Colorado Department of Public Health and Environment

New Jersey Initiative to Vaccinate All School Children

Eddy Bresnitz, New Jersey Department of Health and Senior Services

Antivirals: Current and Future Issues

Roger Baxter, Kaiser Vaccine Study Center

JOINT INJURY / ENVIRONMENTAL HEALTH BREAKOUT

Salon 1

Chemical Disasters: Assessing the Impact, Understanding the Potential, and Sharing Information Across Agencies

Session Moderator: Greg Kearney, Florida Department of Health

Follow-Up Assessment of Health Consequences Following a Train Derailment — South Carolina, 2005

Mary Anne Wenck, Centers for Disease Control and Prevention

Hazardous Materials Transportation Study for Contra Costa County, California

Sharon Lee, California Department of Health Services

Results of the CSTE/CDC Workshop on Intelligence about Multijurisdictional Terrorist Events and Disasters

Raymond Neutra, California Department of Health Services

OCCUPATIONAL HEALTH I BREAKOUT

Garden 3

Intervention

Session Moderator: David Valiante, New Jersey Department of Health and Senior Services

Connecticut's Health and Safety Training for Teens Curriculum

Deborah Pease, Connecticut Department of Public Health

Sharps Injuries in the Operating Room

Angela Laramie, Massachusetts Department of Public Health

BLLs and Firing Ranges

Amy Sims, Michigan State University

OCCUPATIONAL HEALTH II BREAKOUT

Harbor Room

Pesticide Poisoning Intervention and Prevention Activities

Session Moderator: Geoffrey Calvert, Centers for Disease Control and Prevention

EPA Pesticide Activities: Recent Developments

Ruth Allen, United States Environmental Protection Agency

Preventable Causes of Pesticide Poisoning in Washington State: An Update

Dorothy Tibbetts, Washington State Department of Health

Tuesday June 6, 2006

BREAK AND POSTER SESSION

3:00 PM – 3:30 PM

PM BREAK

Grand Ballroom E-G

POSTER PRESENTATIONS

Grand Ballroom E-G

The Washington State Healthy Youth Survey: Local Uses of Adolescent Health Data

Janet Baseman, University of Washington

Physical Violence Before and During Pregnancy, PRAMS 2001-2003 Physical Violence by an Intimate Partner

Helen Marshall, Florida Department of Health

An Evaluation of the Georgia Comprehensive Cancer Registry

Lydia Sharp, Georgia Department of Human Resources

Communicable Disease Control Training for North Carolina Public Health Workforce: An Internet/Classroom-Based Hybrid Course

Kathryn Dail, North Carolina Department of Health and Human Services

Kim Brunette, North Carolina Center for Public Health Preparedness

Strategies for the Surveillance of Human Prion Diseases -- Washington State (2005 - 2006)

Lara Kidoguchi, Washington State Department of Health

Mapping and GIS: Analysis of Childhood Lead Poisoning and Developmental Disabilities in Florida

Greg Kearney, Florida Department of Health

Investigation of Carbon Monoxide Poisonings after Hurricane Katrina — Alabama, 2005

Deidre Crocker, Centers for Disease Control and Prevention

Evaluation of the Oregon Perinatal Hepatitis B Prevention Program

Laurin Kasehagen, Oregon Department of Human Services

Hawaii's Enhanced Influenza Surveillance System

Myra R. Ching-Lee, Hawaii State Department of Health

Evaluation of the California Department of Health Services Tuberculosis Control Branch's A/B Notification Adverse Events Reporting Program

Rachel H. Jervis, California Department of Health Services

Risk Factors for Varicella-Related Severe Morbidity and Mortality after Implementation of Varicella Vaccination in California

Celia Woodfill, California Department of Health Services

Applying Occupational Health Indicators to Historical Data in Connecticut

Albert DeLoreto, Connecticut Department of Public Health

Thomas St. Louis, Connecticut Department of Public Health

Developing a Comprehensive Prioritization Process for Pandemic Influenza Vaccine

Trevor Shoemaker, California Department of Health Services

Lisa Goldberg, University of California

Enhanced Influenza Surveillance and Response at an International Airport in the United States

Joe L. Elm, Hawaii State Department of Health

Evaluation of GIS-Based Traffic Pollution Models for Use in Epidemiologic Studies

Svetlana Smorodinsky, California Department of Health Services

Tuesday June 6, 2006

CONCURRENT BREAKOUT SESSIONS

3:30 PM – 5:00 PM

CHRONIC DISEASE BREAKOUT

Pacific Room

Cardiovascular Health and Diabetes

Session Moderator: Dafna Kanny, Georgia Department of Human Resources

Public Recognition of Major Warning Symptoms of Heart Attack: Kansas, 2004

Farooq Ghouri, Kansas Department of Health and Environment

Conducting State Cardiovascular Health Examination Surveys: Planning, Challenges and Opportunities

Namvar Zohoori, Arkansas Department of Health and Human Services

Diabetes Mellitus: The Ohio Perspective

Mysheika LeMaile-Williams, Ohio Department of Health

CROSS CUTTING I BREAKOUT

Garden 4

Electronic Laboratory Reporting and Electronic Hospital Reporting

Session Moderator: Scott Danos, Centers for Disease Control and Prevention

Overview and Current Status of Electronic Laboratory Reporting in the United States

Perry Smith, New York State Department of Health

Is there a way to get Demographic Information with Test Results?

Michael Davisson, Washington State Department of Health

The Challenge of Multiple HL7 Versions

Rita Altamore, Washington State Department of Health

CROSS CUTTING II BREAKOUT

Garden 1

Public Health Law: Legal Preparedness Issues for Emergencies

Session Moderator: Gilberto Chavez, California Department of Health Services

Public Health Emergency Law - Training and Competency Enhancement

Richard Goodman, Centers for Disease Control and Prevention

Legal Frameworks for Interstate and International Mutual Aid During Public Health Emergencies

Dan Stier, Centers for Disease Control and Prevention

ENVIRONMENTAL BREAKOUT

Garden 2

Using Statistical Methods and Analytical Approaches

Session Moderator: David R. Johnson, Florida Department of Health

Environmental Samples Below the Limits of Detection - Comparing Regression Methods to Predict Environmental Concentrations

Daniel Smith, California Department of Health Services

Implementation of the Rapid Inquiry Facility for Cancer Investigations in Utah

Wayne Ball, Utah Department of Health

Using the Data and Methods from the Public Health Air Surveillance Evaluation (PHASE) Project for Environmental Public Health Tracking

Vickie Boothe, Centers for Disease Control and Prevention

Tuesday June 6, 2006

CONCURRENT BREAKOUT SESSIONS

3:30 PM – 5:00 PM

INFECTIOUS DISEASE BREAKOUT

Grand Ballroom A-D

Emerging Immunizable Disease Issues

Session Moderator: Dale Morse, New York Department of Health

Co-Moderator: Harry F. Hull, Minnesota Department of Health

Immunization/ACIP Updates and Emerging Issues

Melinda Wharton, Centers for Disease Control and Prevention

Varicella Breaks-Through and Breaks-Out: Do We Need a Two Dose Policy?

Dalya Guris, Centers for Disease Control and Prevention

HPV Vaccine - Are We Ready?

Lauri Markowitz, Centers for Disease Control and Prevention

Polio Reemerges in the Outback (Minnesota)

Harry F. Hull, Minnesota Department of Health

INJURY BREAKOUT

Salon 1

Injury Prevention Research

Session Moderator: Melvin Kohn, Oregon Department of Human Services

CDC's Research Agenda

Rick Waxweiler, Centers for Disease Control and Prevention

Hot Topics in Injury Research

Jess Kraus, University of California Los Angeles

Hot Topics in Injury Research

Billie Weiss, University of California Los Angeles

OCCUPATIONAL HEALTH I BREAKOUT

Garden 3

Occupational Respiratory Illness

Session Moderator: Margaret Filios, Centers for Disease Control and Prevention

Health Consequences of Occupational Exposures of Deployed Military Personnel to Ambient Particulates (Dust Storms)

Donald Goodwin, Air Force Research Laboratory

The Evolution of Industrial Hygiene Investigation of Legionnaire's Disease Outbreaks in New Jersey

Donald Schill, New Jersey Department of Health and Senior Services

Characteristics of Work-Related Asthma: Results from a Population-Based Survey

Phillip R Hunt, Massachusetts Department of Public Health

OCCUPATIONAL HEALTH II BREAKOUT

Harbor Room

SENSOR-Pesticides: Coding Consistency and General Discussion

Session Moderator: Geoffrey Calvert, Centers for Disease Control and Prevention

Case Coding Exercise

Walter Alarcon, Centers for Disease Control and Prevention

Open Forum to Discuss Topical Pesticide Issues

Sheila Higgins, North Carolina Health Department

Tuesday June 6, 2006

EVENING EVENT**6:00 PM – 8:00 PM**

PRESIDENT'S BANQUET**Royal Ballroom A-D**

Session Moderator: Robert Harrison, California Department of Health Services***Welcome and Introduction of Lecturer***

Robert Harrison, California Department of Health Services

Jonathan Mann Memorial Lecture

Michael T. Osterholm, University of Minnesota

Awards Ceremony

Robert Harrison, California Department of Health Services

C. Mack Sewell, New Mexico Department of Health

John Abellera, Council of State and Territorial Epidemiologists

Adrienne Gil, Council of State and Territorial Epidemiologists

CSTE/CDC Class II Fellowship Graduation Ceremony

Patrick McConnon, Council of State and Territorial Epidemiologists
